1. To setting up and fortifying youth structures, that will be able to provide democratic perspective, foresight, education and empowerment to the youth population. 2. To protest from sheepishly sliding into the dead trap of rebel factions and recruitment by war- lords who may want to frustrate the political evaluation of that country. 3. To mounting, a coordinated youth front by youths to provide a coordinated youth action and organized youth participation. 4. To ensure that youths are visible involved in the building of democracy during and after the transition. Dialogue, trust and collaboration are what underpin democracy.
