

Tata Consultancy Services (TCS) will organize a training programme in between **15/01/2018** and **28/02/2018** (tentative) for the final year students and alumni of Katwa College (who have graduated within the last three academic sessions and are within 28 years of age). Candidates with master degree, those pursuing master degree and those with B.Tech & B.C.A will not be allowed for this training. After completion of the training the recruitment team from TCS will visit our college and conduct interview. Successful candidates will be provisionally offered jobs on spot by TCS. The college does not have any involvement in the appointment of candidates by TCS.

Interested candidates may enroll their names to join the training programme, either by sending email (katwacollegecounselingcell@gmail.com) or by written application within **23rd December, 2017**. The application must contain the following information.
