Subject: Submission of summary of the feedback taken on curriculum from students, faculties and alumni for the session 2020 - 2021

Respected Sir,

This is to bring your kind attention that Katwa College had been taken feedback from its beloved Students, esteemed Faculties and respectable Alumni on the curriculum in the session 2022 - 2023. In this context I am submitting an outline of the feedback received for your kind consideration and necessary action.

The feedback from students revealed that the students are mostly satisfied with the curriculum and allied issues. Although, the feedback showed that there are scopes for modification of curriculum, so as to make it more applicable one for students' seminar.

From the responses received from the Alumni, it was evident that the majority of the alumni considered the curriculum as capable of imparting subject specific knowledge to the students, although, it is noteworthy that a considerable section of alumni seems that, the curriculum requires to be updated to make it more job oriented.

On the teachers' counterpart of feedback, majority of the teachers expressed their overall satisfaction on the present curriculum and thought that the curriculum is able to impart specific knowledge to the students. Whereas, similar to the alumni respondents, many teachers also think that the curriculum requires to be updated to make it more job- oriented. In this connection provisions for more hands-on workouts may be incorporated in the curriculum.

As it's affiliating University, I anticipate your considerate attention towards the findings observed in the responses as mentioned above, and seek humble concern by doing the needful.

Thanking you,

With regards
