Report:

The first special lecture on "The State of Nature and the Nature of the State": Reading *Leviathan vis-a-vis Eighteenth Century* for the undergraduate students of the Department of English, Katwa College was held on **19 th July 2020 from 11 a.m.** onwards. The Resource person was Prof Amrit Sen from the Department of English, Viswa Bharati University.

Some Eighteenth-century texts have been prescribed as part of the UG CBCS syllabus. Keeping this in mind a critical orientation to the ideological exposure of the times was a necessity.

The platform used was Google Meet and the lecture was streamed live on YouTube. Students of all the three semesters participated and interacted.

Report: A two-day online seminar was held on Essentials of Research Methodology. The topics for the first day were apart from the inauguration and introduction, research ethics, statistics in research methodology, open access resources and tools for research, qualitative research, organisation of research study and quantitative research methods and data analysis. A large number of online participants from both Katwa College and other colleges listened to the speakers and participated in the question and answer session too. The seminar served to clear many confusions and clarify doubts about research methodology for young researchers.

Report:

The international webinar entitled “*One Day International Webinar on Emerging Disaster Issues: Causes & Consequences*” was organized by dept. of Geography in collaboration with IQAC, Katwa College on 27th August. The webinar was conducted from college premises and hosted by Madhumita Sen, HoD of Geography dept. This webinar was arranged in Google Meet platform and it was also live streaming in YouTube. Topic of the webinar was very relevant in the present pandemic situation as it includes both natural and social disasters like Corona Virus. That's why lots of students & faculties of various disciplines from many states of India as well as from Bangladesh, Nepal, Philippines, Egypt, Hongkong & Malaysia had participated in this webinar. 100 participants were in Google meet platform & rest of the participant join in YouTube. Webinar starts with inaugural speech of honorable principal sir, Dr. Nirmalendu Sarkar. Then Madhumita Sen, Assistant Professor and HoD of the concerned dept have introduced the speaker Prof. Malay Mukhupadhyay to deliver his lecture. Due to technical fault second resource person could not deliver his lecture. Many questions were asked by the participants in the interaction session, but due to time shortage only few of them were answered by the resource person. At the end of the session our IQAC coordinator Utpal Das gave his valuable valedictory speech. E-certificate was issued to those who filled-up feedback form. Participants were satisfied with the topics & deliberation. Most of them demand more webinar like this with extended time. In this pandemic situation online mode is very useful to invite speakers from different parts of the world as well as participants also within short period of time. That's why we organize this webinar so

Report:

The Department organised a One Day State Level Webinar titled **Tagore: A Humble Tribute**. The Webinar was held on **27th August 2020** from **6 pm onwards**.

The resource persons were

- Dr. Arpa Ghosh, Associate Professor, Department of English, Vivekananda College for Women.** She gave a presentation on “**Tagore Household and GhareBaire**”. She elaborated on how the novel can be read based on the nexus between the individual vis a vis the nation and the blurred borders between the Home and the World.
- Dr. Chitrita Banerjee, Associate Professor, Department of Bengali, Sri Shikshayatan College.** She gave a presentation on “**রবীন্দ্রনাথের গোরা: কিছু ভাবনাচিন্তা**” (“**Rabindranather Gora: Kichu Bhabna Chinta**”).

Gora has been a part of the UG CBCS syllabus in the paper on translation and her discussion helped the students to revisit the text from multiple dimensions to explore the consciousness of nation making and subject identity.

Certificates of participation were given to the students and teachers who attended the event.

The platform used was Google Meet and was streamed live on YouTube.

Report:

System On Silicon Corporation (aka SOS Corp), a US-based technology start-up founded by global leaders from software/hardware/medical science/biology organized a FREE seminar for all the professors and students of the institute about **Tanaya - Caring for Daughters, a groundbreaking gynaecology solution from SOS Corp.** "Tanaya" is a flagship product from Systems on Silicon Corporation. It offers AI/NLP based personalised digital analytics and affordable doctor consultation for all kinds of gynaecological care. Through this app, women can get in touch with gynaecologists and get features like period tracking and prescription management, anywhere, anytime. Designed to be user friendly, this lightweight app is currently being used by women from both urban and rural areas in India and abroad. The webinar addressed critical problems and the condition of Women's Health in India that is least discussed and researched on. It emphasized the need of awareness and sensitization of both men and women towards a general wellness of women and critical issues in their health care that will lead to a sensitive and a developing society. The company offered internship projects to the interested students too that would provide them hands on experience to deal with the dynamics of health care both at the technical and social sphere.
