2. *Proposal to increase internet capacity:*

Now college (whole campus) is fully covered by wifi with bandwidth internet 70mbps.

3. *Initiative to financial support for attending Seminar /workshop:*

Governing body approves the proposal and has taken decision to give financial support (GB resolution Item No: 11, Dated : 21.7.2020).

4. *To frame new Master Routine for different sections accommodating both old (1+1+1) and CBCS course and curriculum. To procure books, equipments and chemicals:*

Procurement of books, equipments and chemicals has been started but the college is facing hurdles to carry on the process due to shortage of adequate funds because the college has not yet been able to create alternative sources that can generate enough funds for the purpose. It is to be noted in this respect that the college is Grant-in-aid institution with occasional government funding towards purchase of books and equipments. The rest of the expenditure is to be made from the college fund. This fund is generated by the tuition fees collected from the students and 50% of the collected tuition fees per annum is to be deposited with the Government of West Bengal.

5. *To proceed for feedback analysis:*

Feedback collection from different stakeholders and analysis of the collected feedback has been done.
