Institutional Facilities for Disabled-friendly, barrier free environment

Katwa College provides barrier-free environment where students with disabilities can move about safely & use the facilities within the built environment. The academic atmosphere supports the independent functioning of individuals, so that they can participate without assistance in everyday activities within the campus.

Policy of the work for inclusion of people with disabilities on campus

The College promotes & inculcates the values of love, compassion, equality & justice through eliminating social exclusion & encouraging the students to be aware of the problems of the disadvantaged sections of society, focusing on inclusion of people with disabilities by promoting the rights & dignity of each individual.

Objectives:

1. To ensure that students with disabilities get equal opportunities to explore their educational potentials.
2. To provide a nurturing & motivating environment for students with learning disabilities to accommodate their pedagogic needs.
3. To eradicate any kind of stigmatization & segregation so that they can become confident individuals.

Institutional infrastructures for Disabled students:

1. Installation of Ramps:

Ramp-rails, an inclined plane, are built in addition to staircases in the various sections of the college. The ramps are carefully designed as per specifications to be used by the differently abled students.
