Feedback Analysis Report 2019-20

The feedback committee of the college decided to conduct feedback from the stakeholders namely, the students, teachers, alumni, employer. Questionnaires were prepared accordingly. Duration of this feedback was from **01.07.2019 to 30.06.2020**. At the second half of this session, all educational institutions had stopped their normal functioning due to severe pandemic condition. Educational institutions continued their academic activities through online mode. The feedback has been collected in online mode.

FACULTY FEEDBACK: 2019-2020

Q1. The environment of the college is favourable to teaching and research

The majority strongly agree to this statement. This reflects the overall satisfaction of the teaching staff involved in the academic process of the college.

Q 20. Students in general participate in the teaching learning process

The response sways between strongly and moderately agreeing with this statement. The teaching learning atmosphere is generally peaceful and students cooperate with the process. When alternative teaching methods are carried out, the students try to take interest and express their intent to internalize the same. The teachers' feedback overall points out to a satisfaction in the academic process. There are suggestions, of course, for construction of more classrooms, better sanitation and cleanliness and ICT training.
