10	OVERALL REPORTS	Our department of Commerce and IQAC, Katwa College have jointly organized one day webinar on the below mentioned topic, date, time and platform. Prof. Utpal Das,

		<p>Coordinator, IQAC, Katwa College has given the welcome address to the participants of the webinar. Dr. Nirmalendu Sarkar, Principal , Katwa College delivered the introductory speech on behalf of the organizer as well as Katwa College for first time conducting webinar in the name of our college. Dr. Arun Kumar Patra, Convener of this webinar introducing the webinar theme and the speaker. He also discussed the perspective of the selection of theme in the context of new tax structure introduced by Dr. Nirmala Sitaraman, the Hon'ble Finance Minister, Govt. of India, side by side keeping in force old tax structure. Which tax structure should be followed by individual assessee (teacher's fellow in various institutions) so that they can lowering their tax burden within the purview of Income Tax Act.</p> <p>Our hon'ble speaker of this webinar Dr. Chittaranjan Sarkar elaborately discussed the theme in a lucid language citing small examples in such a way so that each and every participants understand their own tax liability and which tax structure new or old he should follow to lowering his personal tax burden. There were 206 registered participants from various institutions out of which 98 were present at a time. 18 participants took part in interaction session which makes the webinar interesting and educative on the part of participants. In the process of feedback system 185 participants encouraged us by giving lots of suggestions and constructive criticism by which we must enriched. In spite of no previous experience of conducting webinar and lot of infrastructural and technical problems our webinar shaped a grand success with help of active participation, interaction and heartfelt cooperation of the participants.</p> <p>Our programme was ended over with vote of thanks to the chair, other dignitaries and the participants by Prof. Utpal Das, Co-ordinator, IQAC, Katwa College.</p>

Platform – Google Meet: <https://meet.google.com/irh-rwbh-stm>

You Tube: <https://youtu.be/hD8EuRzK-GU>

Overall Report- The international webinar entitled “*One Day International Webinar on Emerging Disaster Issues: Causes & Consequences*” was organized by dept. of Geography in collaboration with IQAC, Katwa College on 27th August. The webinar was conducted from college premises and hosted by Madhumita Sen, HoD of Geography dept. This webinar was arranged in Google Meet platform and it was also live streaming in YouTube. Topic of the webinar was very relevant in the present pandemic situation as it include both natural and social disasters like Corona Virus. That’s why lots of students & faculties of various disciplines from many states of India as well as from Bangladesh, Nepal, Philippines, Egypt, Hongkong & Malaysia had participated in this webinar.100 participants were in Google meet platform & rest of the participant join in YouTube. Webinar starts with inaugural speech of honorable principal sir, Dr. Nirmalendu Sarkar. Then Madhumita Sen, Assistant Professor and HoD of the concerned dept have introduced the speaker Prof. Malay Mukhupadhyay to deliver his lecture. Due to technical fault second resource person could not deliver his lecture. Many questions were asked by the participants in the interaction session, but due to time shortage only few of them were answered by the resource person. At the end of the session our IQAC coordinator Utpal Das gave his valuable valedictory speech. E-certificate was issued to those who filled-up feedback form. Participants were satisfied with the topics & deliberation. Most of them demand more webinar like this with extended time. In this pandemic situation online mode is very useful to invite speakers from different parts of the world as well as participants also within short period of time. That’s why we organize this webinar so that we and also our students can be enriched with diversified knowledge. As this webinar was successful according to the participants so we, the faculties will try to organize more seminars in future.

REPORT – 6

10. Overall report—SystemOnSilicon Corporation (aka SOS Corp) , a US-based technology start-up founded by global leaders from software/hardware/medical science/biology organized a FREE seminar for all the professors and students of the institute about **Tanaya - Caring for Daughters, a ground-breaking gynaecology solution from SOS Corp.**

"Tanaya" is a flagship product from Systems on Silicon Corporation. It offers AI/NLP based personalised digital analytics and affordable doctor consultation for all kinds of gynaecological care. Through this app, women can get in touch with gynaecologists and

get features like period tracking and prescription management, anywhere, anytime. Designed to be user friendly, this lightweight app is currently being used by women from both urban and rural areas in India and abroad. The webinar addressed critical problems and the condition of Women's Health in India that is least discussed and researched on. It emphasized the need of awareness and sensitization of both men and women towards a general wellness of women and critical issues in their health care that will lead to a sensitive and a developing society. The company offered internship projects to the interested students too that would provide them hands on experience to deal with the dynamics of health care both at the technical and social sphere.

-----**the end**-----
